Subject: Important Update

Friends,

The Austin Public Health Department is now discouraging public events involving 250 people. In light of this direction, we have decided to cancel **all** church events including worship tomorrow through Sunday, March 22. We will however livestream worship content from the sanctuary at 8:30 am and from the FLC at 11am on Sunday through the church's Facebook page. Thank you for your patience in these unprecedented times. We are endeavoring to be both faithful to our call to be worshippers and responsible to our larger community in this pandemic. Please join me in practicing good health habits (handwashing!), praying for the health of our world and community, as well as being attentive by appropriate means to people left lonely in times of social distancing. You may also want to consider online giving to our church to help us stay on mission during these challenging times.

I will keep you updated. In hope and faith,

~David
